# HOW THE EXPERIENCE WORKS

01

## Meeting in Piazza Municipio (Amalfi)

We meet in the main square of Amalfi and take the public elevator together (ticket included in the experience). After the elevator, there is a short scenic walk with approximately 70 steps down and 20 steps up to reach the villa's private terrace.

02

## Welcome Drink With a Breathtaking View

You'll be greeted with a refreshing welcome drink as you soak in the view—one of the most iconic in the entire Amalfi Coast.

03

## Dough-Making Lesson

Chef Leonardo guides you through preparing the authentic Neapolitan dough: proper flour, hydration, rising, techniques, and the traditional kneading process.

04

## Stretching & Topping Your Pizza

You'll stretch your dough by hand and top it with the finest local ingredients: San Marzano tomatoes, fresh fiordilatte, basil, and Villa Angelina extra virgin olive oil.

05

## Pizza Baking & Dining With a View

Your pizza is baked in our dedicated oven and enjoyed on the terrace with: local wine, water, soft drinks. A traditional Amalfi dish prepared by the chef is also served—one of the highlights for American guests.

06

## Dessert & Photos

The experience includes a seasonal dessert (sweet pizza, gelato, or tiramisù) and a photo session overlooking the sea.

07
